Notes:

Drill Title: 6 & up Moving Goal

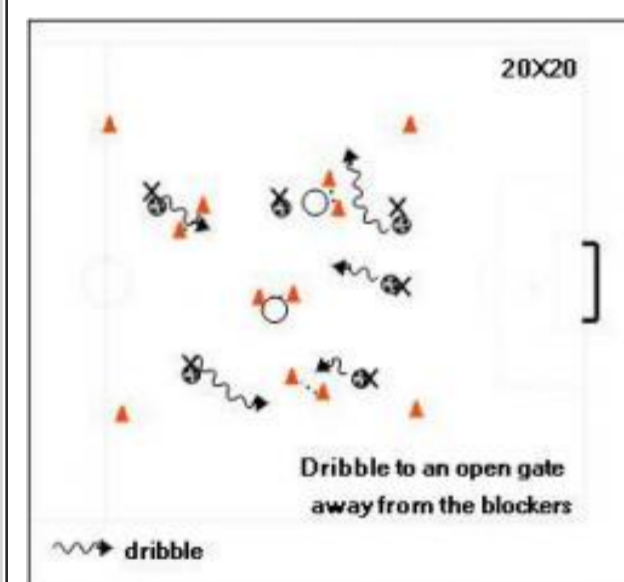

All players are dribbling a soccer ball in a 15x20 yard grid. Two coaches hold a practice vest (penny) between them, forming a goal. The players must try to kick their ball through the goal.

Coaches: Move around into open space so that the players have to dribble around and kick their ball through a moving target.

Key Points: Head up Change of direction

Drill Title: 6 & up blockers

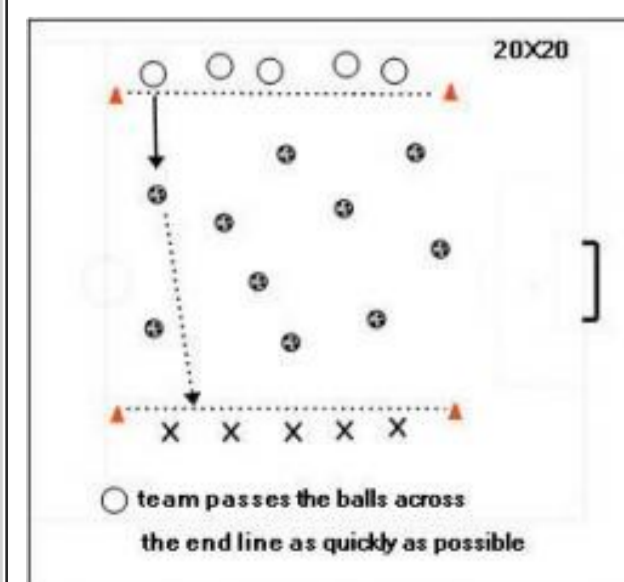

all the players with a ball except 2.
 The 2 players without a ball try to prevent the other players from dribbling or passing through the gates set up inside the playing area.

Switch the 2 blockers every few minutes.

Have the players keep track of how many gates they go through.

Key Points: passing/dribbling through a target

Drill Title: 5 & up Egg hunt

One team goes at a time. All the balls are randomly placed inside the playing area. On the whistle the first team clears the balls over a designated endline.

When all the balls are cleared the next team sets them up inside the playing area and then it is their turn.

Key Points: clearing the ball from the field.
